

## *God's Chosen Generation*

We declare that we know who we are. We are children of God, the teens of this age, God's chosen generation, His royal priest hood, set apart by God for such a time as this to STAND OUT from the world so that His glory and power will be made manifest in our lives. We declare that we have teachable spirits and God's Word shall prevail over our lives. We are confident, talented, gifted, anointed and loved. We are the head and not the tail. We are above and not beneath. We are more than conquerors. We are over comers. We can do all things through Christ who strengthens us. Nothing by any means in the will of God shall be impossible for our lives.

We declare that because the Greater One lives on the inside of us that we can overcome any temptation, plan or scheme of the enemy that will try to hinder us from receiving God's best for our lives. We are dead to sin, but alive in Christ. We choose righteousness and we will not allow our flesh to dictate our actions or words. We declare that we will remain pure in our bodies, minds, souls and spirits because we know that our bodies are the temple of the Holy Ghost. Our minds are renewed and transformed by the Word of God daily therefore; we will not be persuaded by the lusts of this world. We will use the gifts and talents that God has given us to advance His kingdom. We will persevere in all that we do and run with perseverance the race that is marked out for us. We will always honor, obey, respect and love our parents and other adults in authority over us because we know that it pleases God.

God has given us, even as teenagers the power and authority to tread upon the serpents of this world and we stand in agreement that we will use that power to take back everything that the enemy has stolen from us during our

childhood up until now and forevermore. No weapon formed against us shall ever prosper. We have been set free from bondage; therefore we are free to love, to worship and to trust with no fear of being rejected or judged. God has made us in His image and we know that we have been made perfect. We are confident in this one thing, that He who began a good work in our lives will complete it until the day of Jesus Christ return. God's plans for our lives are plans to prosper us and are filled with hope to bring us to an expected end and we, the teenagers of God's chosen generation declare that every one of His promises shall be made manifest in our lives!
